

BENEFITS

ON SUCCESSFULLY COMPLETING THE COURSE, STUDENTS WILL BE ABLE TO:

-  Perform an audit as per the requirements of ISO/IEC 27001:2013 standard
-  Be familiar with key environmental issues
-  Successfully execute an environmental management systems audit
-  Create clear, concise and relevant audit reports
-  Understand key elements of the ISO 19011 and ISO/IEC 17021 Standards
-  Plan an audit against a set of audit criteria
-  Understand the differences between QMS and EMS audits
-  Communicate the audit findings to a client

The course uses a mixture of taught sessions, interactive group discussions, exercises, continuous assessment and examination to achieve its aims. The practical exercises are based upon a fictional company. However, the procedures, work instructions and data are typical and could relate equally to many different enterprises. The practical exercises have been carefully designed to focus on issues that commonly arise during Information Security Management system audits.

REFRESHMENTS

Bureau Veritas Certification arranged courses
Refreshments and lunches are provided throughout the course. For accommodation and evening meal arrangements, please contact your local Bureau Veritas Certification office.

Courses at your premises
Accommodation/refreshments are not included in the course fee.

BUREAU VERITAS DIGITAL TRAINING

Our digital courses and resources are a flexible, convenient solution to your specific training needs. No matter how geographically scattered your teams may be, our digital options ensure that your employees receive the highest quality, consistent training. You can choose from our comprehensive catalogue of digital training courses, or we can partner with you to create a customized digital training program suited to your particular objectives.

KEY BENEFITS

A flexible, user-led digital learning experience

Detailed and clear explanation of the latest industry best practices, regulations and requirements

Actionable insights on your organization's obligations and responsibilities

Optimize organizational control by ensuring your employees receive relevant, consistent training

E-LEARNING PROGRAMS

Our e-learning courses are a flexible training solution that allow your employees to learn at their own pace. Our team of industry experts have designed some of the most specialized courses on the market. The Bureau Veritas e-learning system is user-led and accessible from any place and at any time, thanks to our 24/7 online infrastructure.

BLENDED TRAINING

A blended course combines online digital media with the traditional classroom method. With our blended training, you will benefit from classroom interaction with our global experts, as well as a totally flexible online training system, giving you scope and autonomy. This is an attractive option if you want the personal input of our experts and the flexibility of e-learning.

VIRTUAL CLASSROOM COURSES

Our Virtual Classroom is an ideal alternative to the traditional classroom setting for professionals who may not have the budget or time for travel, or prefer the convenience of attending a course online. This is a live tutor-led experience where the trainer and delegates can interact with each other and share materials as if they were all in a room together.

SHAPING A WORLD OF TRUST

Bureau Veritas is a Business to Business to Society company, contributing to transforming the world we live in. A world leader in testing, inspection, certification and technical services, we help clients across all industries address challenges in quality, health & safety, environmental protection and social responsibility.

CERTIFICATION FOR CONTINUAL IMPROVEMENT

Bureau Veritas is one of the world's leading certification bodies. We support clients on every continent to continuously improve their management systems and organizational performance, in order to mitigate risk, achieve compliance, increase stakeholder confidence and achieve excellence.
