

# WHY CHOOSE BUREAU VERITAS

## *A WORLD LEADER COMBINING A GLOBAL NETWORK WITH LOCAL KNOWLEDGE*

Bureau Veritas is a world leader in laboratory testing, inspection and certification services. Created in 1828, the Group has more than 66,700 employees in approximately 1,400 offices and laboratories located all around the globe. Bureau Veritas helps its over 400,000 clients to improve their performance by offering services and innovative solutions. We ensure that their assets, products, infrastructure and processes meet standards and regulations in terms of quality, integrity, health and safety, environmental protection and social responsibility.

Bureau Veritas highly qualified professionals are dedicated to serve our clients, offering them recognized international know-how combined with local knowledge (language, culture, laws, regulations, customs, etc.).

## *BROAD FOOD EXPERTISE AND BUSINESS UNDERSTANDING*

Bureau Veritas can help every player in the food value chain meet the highest standards of Quality, Product Integrity, Health & Safety, Environment and Social Responsibility compliance. Our comprehensive service portfolio covers the entire spectrum of testing, inspection and audit services. Our clients value the global presence of our specialized product inspectors, auditors qualified against most food certification schemes, and food testing laboratories (physical, microbiological, chemical and DNA testing).

Our experts work closely with our clients and partners in designing food safety monitoring programmes globally, complying with regulations, best practices, private specifications. We have gained a broad knowledge over the years of the different food sectors (seafood, dairy, meat, processed food, grain, F&V).

## *MARK OF GLOBAL RECOGNITION*

The Bureau Veritas Mark is a globally recognized symbol of your organization's ongoing commitment to excellence, sustainability and reliability. Bureau Veritas Certification\*, the world's leading certification body, is accredited by a large number of national and international accreditation bodies such as UKAS, ANAB, COFRAC, ENAC and DANAK. Our experts are involved in several technical committees.

The laboratories of our global network are accredited against various international schemes (ISO 17025, GAFTA, A2LA...)

\*The independent certification body of Bureau Veritas
